# Your Really Wild Party

Looking for something different?  
Why not try a Really Wild Party this year.

**Really Wild Parties are suitable for children of all ages and they're available every weekend for up to 20 children including the birthday child.**

Time slots are available for parties to start at 10.30 and finish at 12.30pm or 1.30pm, finishing at 3.30pm. Parties can be booked to celebrate birthdays, the end of term, Christmas or other special event.

Each party lasts 1½ hours and is led by one of our Education Team and includes a small free gift for the birthday child. Most of this time will be spent outdoors apart from a short craft at the beginning of the party. A Pass the Parcel game can be organised for an additional cost.

Party food can be ordered from our tea rooms (see prices below). If party food is purchased from the tea room, you will have an extra half an hour in the classroom to enjoy eating (from either 12pm or 3pm dependant on slot booked). There is no additional charge for room hire during this time.

Please note that you cannot bring your own party food to the Parkridge Centre. All food except birthday cake must be purchased from the café.
